20:30	Dinner		

STEM4youth Project Final Conference

11th October 2018

University of Milan, Napoleonic Hall

Time	Day 2
------	-------

9:00 – 9:30

Opening Ceremony

Presented by Angela Simone

Scientific Journalist and Project Manager at Formicablu srl and Fondazione Giannino Bassetti

Chiara Tonelli

President of the Scientific Committee at Fondazione Umberto Veronesi; Full Professor of Genetics at Università degli Studi di Milano

Annamaria Parola

Head of the Institutional Relations and International Projects Area at Fondazione Umberto Veronesi

9:30 – 9:50

Video projection and presentation of STEM4youth Project

Mirosław Brzozowy

Technical Project Manager at STEM4youth, Warsaw University of Technology

Alessandro Vitale

Head of Communication and Dissemination at STEM4youth - Fondazione Umberto Veronesi

9:50 – 10:45

Presentation of STEM4youth modules

One STEM4youth speaker for each developed subject

10:45 – 11:00 | COFFEE BREAK

11:00 – 11:20

KEYNOTE SPEECH: “Gender role models in STEM – inspiration or threat?”

Wendy Sadler

Director of Science Made Simple; Lecturer in Science Communication and Engagement at Cardiff University

11:20 – 11:40

KEYNOTE SPEECH: “Why Students Choose STEM: Motivations, Learning, Approaches and Strategies”

Federico Biagi

CRELL (Centre for Research on Education and Lifelong Learning) team leader at European Commission JRC B.4 (Human Capital and Employment Unit)

11.40 – 12.10

Presentation of STEM4youth trials, results and future roadmap

Jose Diego-Mantecón

Project Manager at STEM4youth - University of Cantabria

12.10 – 12.30 - **Discussion time**

13:00 – 14:15 | LUNCH

14.15 – 15.30

PANEL: “How to grant an innovative STEM teaching at school across EU? “

Àgueda Gras-Velázquez

Science Programme Manager | Head of the Science Education Department at European Schoolnet

Maria Xanthoudaki

Director of Education of the Centre of Research in Informal Education at National Museum of Science and Technology Leonardo da Vinci; ECSITE Spokes Editorial Committee

Valeria Cappa

Editorial Director of Math & Science Area at Pearson Italy

Bruna Marini

Co-founder and Project Manager at Ulisse BioMed, innovative Start Up at AREA Science Park

15:30 – 17:30

Workshops – parallel sessions

STEM4youth Engineering

Workshop *Peer-to-peer presentations*

- Constructing a Floating Nest
- Constructing a Hydrorobot

Presented by Cantabria students' selection

Practical activity: “Strong Paper Table”

Can you build a newspaper table that won't collapse under the weight of a laptop?

Presented by Christina Troumpetari and Dimitris Stathopoulos (Eugenides Foundation)

STEM4youth Medicine Workshop

Peer-to-peer presentations

- DNA, epigenetics and prevention
- Microorganisms and genetic engineering techniques

Presented by Cantabria students' selection

Practical activity: “(Precision) medicine I wish for”

Together we will play and debate perspectives, limits and open issue in the field of Precision medicine

Presented by Alessandro Vitale (Fondazione Umberto Veronesi)

17:30 – 17:45

Closing Remarks

Agnese Collino

Head of the Scientific Supervisor Area at Fondazione Umberto Veronesi

Friday: 12/10/2018

Working Group

Venue: Fondazione Umberto Veronesi, Milan, Italy

Participants: UC and FUV

Time	Day 3
09:00	Session I D8.2 Final Conclusions and Recommendations
10:00	Session II D8.3 Roadmap for the future implementation
11:15	Coffee Break
11:30	Session III D9.4 Project Dissemination
12:40	Closing Ceremony
14:30	Visit to the Museo della Scienza e della Tecnologia “Leonardo da Vinci”— http://www.museoscienza.org/english/
